

DMS GET READY!

Do your players have what it takes to challenge

the WORLD'S LARGEST **DUNGEON**

Can your players stop **TYRUS THE DEVOURER**
from escaping his **ICE PRISON?**

Watch in horror as they are prosecuted by the
BARRISTER GHAST and sentenced
by the insane **BODAK JUDGE.**

Can they survive the **CRYPT OF THE BLACK
EMPRESS** or outwit the **WRAITH OF
DESPERATION?**

Or will they fall prey to the tricks and traps of the
GOBLIN EMPIRE and become lost in the
GREAT MAZE before reaching the really tough stuff?

It's all in the **World's Largest Dungeon.** Everyone walks in the front door
1st level, but only the lucky walk out alive 20 levels higher.
